Bowhunting in Arizona (BIA) will accept score sheets from its own measurers as well as copies of Pope & Young, and Boone and Crockett score sheets. However, those measurers marked only as BIA measurers can only measure for the BIA Records Program. If you take an animal large enough to qualify for entry to Pope & Young, and wish to enter it in both programs, you are encouraged to choose a measurer that is either a Pope & Young or Boone and Crockett measurer (P&Y will accept score sheets from both their own and B&C measurers).

If you expect your animal to be large enough for entry to Boone and Crockett, you should choose a B&C measurer so that he/she can enter your trophy to all three programs.

Bowhunting in Arizona (BIA) will not accept Fair Chase Affidavits from any other organizations. If you are submitting a copy of a score sheet from either a Pope & Young or Boone
